Location

General Description

This charming family-run hotel of 33 rooms (60 beds) is extremely well located at 1,2 miles from the heart of Montreux and very close to the Montreux exit (no 15) of the A9 motorway. A large parking for cars and motorcoaches is at disposal around the hotel. All rooms have a bathroom with bathtub or shower, hairdryer, direct-dial phone, radio and cable tv. In our restaurant, with its shady terrace, our french chef is practising a seasonal cuisine with local products. Fresh fish from the lake, beef from the Simmenthal, mushrooms and cheese are a few products we are honouring. At lunch time, 3-daily proposals are served for our guest with little time left. A seminary-room, banquetting possibilities and a small bowling are completing the offer of this pleasant place. WLAN in all rooms and facilities of hotel.

Location

- airport Geneva airport
- city center
- cycle track
